Family

Spouse - Connie Choi, DDS
Children - Justin, Stanley & Cameron

EDUCATION

- 1998 **CERTIFICATE IN PERIODONTICS** - *Clinical Specialty Training*
School of Dentistry
University of California Los Angeles
- 1998 **MASTER OF SCIENCE** - *Oral Biology Major*
School of Dentistry
University of California Los Angeles
- 1993 **MASTER OF PUBLIC HEALTH** - *Health Services Major*
School of Public Health
University of California Los Angeles
- 1988 **BACHELOR OF SCIENCE, DENTAL** - *Pathology Major (HONOURS II)*
School of Medicine
University of Sydney, Australia
- 1986 **BACHELOR OF DENTAL SURGERY**
School of Dentistry
University of Sydney, Australia

CLINICAL APPOINTMENTS

- 1997 – 1998 **Chief Resident**, Periodontics & Implant Surgery
UCLA Medical Center/UCLA School of Dentistry,
Los Angeles, California
- 1995 – 1998 **Resident House Medical Staff**
UCLA Medical Center/UCLA School of Dentistry,
Los Angeles, California
- 1993 - 1996 **Private General Dentistry Practice**
3000 Olympic Boulevard, Suite 300
Los Angeles, California 90006
- 1994 - 1996 **Private General Dentistry Practice**
Bakersfield, California
- 1989 - 1991 **Chief, Division of Dentistry**
Dental clinician & administrator of a division of
major general hospital (350 beds)
Ilsin Christian Hospital, Busan, Korea
- 1989 - 1991 **Medical Missionary**
Provision of dental care for urban poor in Busan, Korea
World Mission Committee, Uniting Church in Australia
- 1987 - 1989 **House Dental Officer**
Westmead Hospital, Sydney, Australia
- 1988 - 1989 **Associate Dentist**
Dental Practice of Dr. Ron Weiser, Sydney, Australia

ACADEMIC & ADMINISTRATIVE APPOINTMENTS

2001 - present	Lecturer Section of Associated Clinical Specialties, Periodontics UCLA School of Dentistry Los Angeles, California
1999 – present	Director West Coast Dental Institute Dental Board of California & AGD Approved Continuing Education Facility Diamond Bar, California
1998 – 1999	Director of Clinical Affairs Wilshire Park Dental Institute Multi-Specialty Group Practice & Dental Board of California Approved Continuing Education Facility Los Angeles, California
1998 - 2000	Lecturer Section of Periodontics UCLA School of Dentistry Los Angeles, California
1995 - 1996	Research Associate UCLA/Drew Minority Oral Health Research Center (Recipient of National Institute of Dental Research \$50,000 training grant, DE 10598-03) UCLA School of Dentistry, Los Angeles, California
1993 - 1995	Lecturer Section of Hospital Dentistry UCLA School of Dentistry, Los Angeles, California
1993 - 1994	Staff Research Associate Section of Public Health Dentistry UCLA School of Dentistry, Los Angeles, California
1992 - 1993	Research Associate / Intern Asian Pacific Islander Older Adults Project Asian Pacific Health Care Venture, Los Angeles, California
1987 - 1988	Lecturer Department of Pathology University of Sydney, Australia
1987 - 1988	Lecturer Department of Prosthetic Dentistry University of Sydney, Australia

LICENSURE & PERMITS

2002	License to Practice Dentistry (as a Specialist S4-27C) Nevada State Board of Dental Examiners
1998	Registered Continuing Education Provider Permit (#RP3731) Dental Board of Ca.
1998	Conscious Sedation Permit (#CS350) Dental Board of California
1993	License to Practice Dentistry (#41267) Dental Board of California
1993	Drug Enforcement Agency (#BK3829213)
1986	License to Practice Dentistry (#DE 0057670) Dental Board of New South Wales (Australia)
1989	Special Permit to Practice Dentistry (as a medical missionary), Korea

HONORS & SPECIAL AWARDS

2007	Fellowship - American Academy of Implant Dentistry (AAID)
2006	Board Certification Diplomate, American Board of Oral Implantologists/Implant Dentistry (ABOI/ID)
2006	First Place, Table Clinic Session Winter Meeting, International Congress of Oral Implantologists (ICOI) San Diego, California
2002	Fellowship - International Congress of Oral Implantologists (ICOI)
2000	First Place, Table Clinic Session 49 th AAID Annual Meeting & AAID Research Foundation Symposium American Academy of Implant Dentistry
1999	Board Certification Diplomate, American Board of Periodontology (ABP)
1998	Graduate Student Award Best Research, Non-Surgical Section California Society of Periodontists (CSP)
1996	Honorable Mention Eighth Annual Saul Kamen Scientific Report Contest The American Society for Geriatric Dentistry
1992	Distinguished Service Award The National Federation of University Student Associations (Seoul, Korea)
1992	Distinguished Service Award The Uniting Church in Australia (Sydney, Australia)
1983	Bennett Scholarship for Outstanding Achievement in Dentistry III, Wesley College, University of Sydney, (Australia)

PROFESSIONAL MEMBERSHIPS

2007 - present	Newport Harbor Academy of Dentistry
2004 - present	Interdisciplinary Dentofacial Institute (IDI)
2001 - present	South Coast Periodontal Group
2000 - present	Orange County Dental Society (OCDS)
2000 - present	North American Society of Periodontists (NASP)
1999 - 2000	Los Angeles Academy of Periodontology
1998 - 2000	Los Angeles Dental Society (LADS)
1995 - present	American Academy of Periodontology (AAP)
1995 - present	Western Society of Periodontology (WSP)
1995 - present	California Society of Periodontists (CSP)
1993 - present	American Dental Association (ADA)
1993 - present	California Dental Association (CDA)
1993 - 1998	Western Los Angeles Dental Society (WLADS)
1992 - present	International Association for Dental Research (IADR) - Health Services Research Group - Periodontology Research Group
1992 - present	American Association for Dental Research (AADR)
1995 - present	International Congress of Oral Implantologists (ICOI)
1995 - present	American Academy of Implant Dentistry (AAID)
1995 - present	Academy of Osseointegration (AO)
1993 - present	American Association of Public Health Dentistry (AAPHD)
1993 - present	American Public Health Association (APHA)
1994 - present	Academy of General Dentistry (AGD)
1993 - present	Korean American Dental Association
1988 - present	Dentists for Healthier Society (Korea)
1987 - present	Australian Dental Association - Overseas Restricted Member

COMMUNITY SERVICES

2008 – 2009	Vice-President Western Society of Periodontology (WSP)
2008 – 2009	Chair, Scientific Session Committee Korean American Dental Association
2008 – present	Contributing Editor, <i>Dental Implantology Update</i>
2008 – present	Assistant Scoutmaster, Troop 93 Fullerton, California Boy Scouts of America
2007 – 2008	Treasurer Western Society of Periodontology (WSP)
2004 – present	Board Member North American Society of Periodontists (NASP)
2004 – 2008	Cubmaster, Pack 1238 Fullerton, California Cub Scouts of America
2006 – 2008	Member, Membership Subcommittee Academy of Osseointegration
2003 – 2005	Member, Clinical Innovations Subcommittee Academy of Osseointegration
2002 – 2005	Member, Publications Committee Orange County Dental Society
2000 – 2004	Member, New Members Committee Orange County Dental Society
2000 – 2003	Member, Scientific Session Committee Korean American Dental Association
1998 – 2000	Editor-in-Chief, <i>KADA Newsletter</i> Korean American Dental Association
1995 – 1998	Contributing Editor, <i>The Journal of the Western Society of Periodontology</i>
1996	Member, Student/Resident Representative Committee for Dean's Search UCLA School of Dentistry
1993 - 1995	Volunteer Dentist and Consultant Korean Health Education, Information & Referral Center (KHEIR) Los Angeles, California
1993 - 1994	Member, Advisory Committee on Dental Clinic Project Chinatown Service Center, Los Angeles, California
1992 - 1995	National Coordinator, South Korea Human Rights Action US Regional Office, Los Angeles, California
1991 - 1994	Instructor, The Modern History of Korea Korean Resource Center, Los Angeles, California
1989 – 1991	Board Member, Dentists for Healthier Society, Seoul Korea

PRESENTATIONS & LECTURES

- September 20, 2008 “Managing the soft and hard tissue interface in implant dentistry by innovative advanced surgical techniques”
Invited Lecturer *Implant Seminars*, Seattle Continuum
Seattle, Washington
- September 14, 2008 “Innovations in Maxillary Sinus Augmentation”
Invited Lecturer
Boston Institute for Dental Implants and Bone Regeneration
Diamond Bar, California
- August 24, 2008 “Implant Dentistry: Making it practical, predictable and profitable”
Invited Lecturer
California Association of Vietnamese American Dentists
Anaheim, California
- August 23, 2008 “Innovations in Maxillary Sinus Augmentation for Dental Implant Placement”
Invited Speaker
Dr. Daniel Kim’s Implant Study Group
Chicago, Illinois
- August 22, 2008 “Innovations in Maxillary Sinus Augmentation for Dental Implant Placement”
Table Clinic Presentation
International Congress of Oral Implantologists
Chicago, Illinois
- August 6, 2008 “Innovations in Maxillary Sinus Augmentation”
Invited Lecturer
Academy for Advanced Dental Studies
Los Angeles, California
- May 17, 2008 “Managing the soft and hard tissue interface in implant dentistry by innovative advanced surgical techniques”
Invited Lecturer
Implant Seminars, Miami Continuum
Miami, California
- May 15, 2008 “Practical and cutting edge contemporary implant dentistry: Does implant design make a difference?”
Invited Lecturer
Armenian Dental Society of California
Glendale, California
- May 3, 2008 “Implant Site Preparation: Physiology, Anatomy, Materials and Technique – How it all fits in”
Invited Lecturer
Biohorizons Global Symposium 2008
San Diego, California
- April 25, 2008 “Maintenance of Soft and Hard Tissue around Implants in the Aesthetic Zone”
Invited Lecturer, *The Miami Implant Update*
Sponsored by *Center for Dental Implants of South Florida*
Miami, Florida

PRESENTATIONS & LECTURES (continued)

- April 20, 2008 “Managing the soft and hard tissue interface in implant dentistry by innovative advanced surgical techniques”
Invited Lecturer
Implant Seminars, San Francisco Continuum
San Francisco, California
- March 20, 2008 “Understanding and managing the soft and hard tissue interface in implant dentistry – the greatest challenges to clinical success”
Invited Lecturer
Oral Facial Seminars
Tarzana, California
- March 13, 2008 “Surgical Aspects of Dental Implants” (co-presented with Roy Yoo, DMD)
Invited Lecturer
Mini-Residency course sponsored by *AstraTech Dental*
Seal Beach, California
- March 6, 2008 “Surgical Aspects of Dental Implants: Just what they didn’t teach you in Dental School”
Pacific Dental Conference
Vancouver, British Columbia, Canada
- February 24, 2008 “Innovations in soft and hard tissue management in implant dentistry”
Invited Lecturer
New York University/ICOI
New York, New York
- February 7, 2008 “Surgical management of the maxillary posterior region”
Invited Lecture & Live Surgery Demonstration
School of Dental Medicine, State University of New York
Buffalo, New York
- December 1, 2007 “Surgical Errors: The 5 Common Treatment Planning Mistakes that should be avoided in Implant Surgery”
Dentium End of Year Symposium
Los Angeles, California
- September 15, 2007 “Accelerating the learning curve in surgical aspects of implant dentistry”
Australian Society of Implant Dentistry
Sydney, Australia
- September 14, 2007 “Comprehensive Hands-on Workshop on Soft Tissue Surgery”
Dental Integrated Dynamics
Sydney, Australia
- September 12, 2007 “Soft and hard tissue around dental implants: how to create, how to maintain”
Prince Philip Dental Hospital
Hong Kong
- September 11, 2007 “Incorporating Implant Dentistry into Everyday Practice”
Invited Lecturer, *Macau Dental Association*
Macau

PRESENTATIONS & LECTURES (continued)

- July 6, 2007 “Clinical versatilities of Implantium System – A 3-year clinical experience in a specialist practice in the USA”
Special lecture sponsored by *Dentium*
Seoul, California
- July 2, 2007 “Simplifying implant dentistry with Biohorizons Simple Solutions”
Organized by *Specialists Dental Supplies Ltd.*
Kowloon Cricket Club, Hong Kong
- June 30 - July1, 2007 “Management of Soft and Hard Tissue in Implant Dentistry”
Invited Lecturer
Chung San Medical School Alumni Association 26th Anniversary Symposium
Taipei, Taiwan
- April 13, 2007 “Getting enough bone and soft tissue around dental implants – What are the challenges?”
Invited Lecturer
Biohorizons Global Symposium 2007
Hollywood, Florida
- March 24, 2007 “Managing the soft and hard tissue interface in implant dentistry by innovative advanced surgical techniques”
Invited Lecturer
Implant Seminars, Atlanta Continuum
Atlanta, Georgia
- March 17, 2007 “Managing the soft and hard tissue interface in implant dentistry by innovative advanced surgical techniques”
Invited Lecturer
Implant Seminars, Dallas Continuum
Dallas, Texas
- March 9, 2007 “Microadjustable Sinus Elevator”
Invited Speaker
Co-presented with Alvaro Ordoñez, DDS
Clinical Innovations Session , 22nd Annual Meeting, *Academy of Osseointegration*
San Antonio, Texas
- February 24, 2007 “The Soft & Hard Tissue Complex in Implant Dentistry:
- Principles in the Long-Term Maintenance of Dental Implant Cases”
Invited Lecturer
BH Salud S.A. Dental Implant Symposium
Medellin, Colombia
- February 23, 2007 “Understanding & Managing the Soft & Hard Tissue Interface in Implant
Dentistry:
- The Greatest Challenge to Clinical Predictability”
Invited Lecturer
Colombian Society of Periodontology
Bogota, Colombia

PRESENTATIONS & LECTURES (continued)

- January 20, 2007 “Predictable Aesthetic Soft Tissue Plastic Surgery”
Invited Lecturer
Annual Meeting, *California Academy of General Dentistry (CAGD)*
San Jose, California
- December 2, 2006 “Accelerating the learning curve in Surgical Aspects of Implant Dentistry”
Invited Lecturer
Implant Seminars, Washington DC Continuum
Washington, District of Columbia
- September 19, 2006 “Innovations in Palatal Flap Mobilization”
Invited Lecturer, Clinical Innovations
92nd Annual Meeting, *American Academy of Periodontology*
San Diego, California
- September 17, 2006 “Stability of Stability of Crestal Bone and Peri-Implant Soft Tissue Complex:
The Ultimate Prognostic Indicator”
Invited Lecturer, Corporate Forum
92nd Annual Meeting, *American Academy of Periodontology*
San Diego, California
- June 30, 2006 “A Protocol for Immediate Implant Placement in the Multirooted Molar”
Invited Lecturer
Europerio 5
Madrid, Spain
- June 20, 2006 “A Critical Look at Peri-implant Bone and Soft Tissue for Long-Term Implant
Survival”
Invited Lecturer
Korean American Dental Association
Cerritos, California
- June 13, 2006 “Surgical aspects of Periodontics and Dental Implants: Just what they didn’t
teach you in Dental School”
Invited Lecturer
Prince Philip Dental Hospital
Hong Kong, China
- June 10-11, 2006 “Surgical aspects of Periodontics and Dental Implants: Just what they didn’t
teach you in Dental School”
Invited Lecturer
Chung San Medical School Alumni Association 25th Anniversary Symposium
Taipei, Taiwan
- May 5, 2006 “Achieving optimal soft and hard tissue form from day one: One-stage surgical
approaches and immediate provisionalization protocols using Biohorizons
external and internal implants”
Invited Lecturer
2006 Biohorizons Global Symposium
Phoenix, Arizona

PRESENTATIONS & LECTURES (continued)

- May 4, 2006 “Digital Clinical Photography: A Workshop”
Invited Lecturer
2006 Biohorizons Global Symposium
Phoenix, Arizona
- March 18, 2006 “Utilization of Dome-Shaped Resorbable Membrane in Internal-Lift Sinus
Perforations”
Invited Speaker. (Co-presented with Alvaro Ordoñez, DDS)
Clinical Innovations Session
21th Annual Meeting of Academy of Osseointegration
Seattle, Washington
- March 4, 2006 “The Current State of Guided Bone Regeneration”
Invited Lecturer
Spring Meeting, *Korean Academy of Oral and Maxillofacial Implants*
Seoul, Korea
- February 19, 2006 “Accelerating the learning curve in Surgical Aspects of Implant Dentistry”
Invited Lecturer
Implant Seminars, Los Angeles Continuum
Los Angeles, California
- February 17, 2006 “Surgical Aspects of Periodontics and Dental Implants:
Just what they didn’t teach you at dental school”
Invited Lecturer
Toronto Implant Study Club
Toronto, Canada
- February 11, 2006 “Utilization of Dome-Shaped Resorbable Membrane in Internal-Lift Sinus
Perforations”
Table Clinic
International Congress of Oral Implantologists
San Diego, California
- January 6, 2006 “Restorative and Surgical Interface for Understanding Concepts Related to
Immediate Loading”
Invited Lecturer, Main podium
1st International Congress of Oral Implantology
Academy of Oral Implantology
New Delhi, India
- December 7, 2005 “Understanding the Implant-Tissue Interface: Key to Surgical Realities and
Success”
Invited Lecturer
Drs. Stephans & Stepanyan’s Implant Study Club
Pasadena, California
- November 6, 2005 “The Current Trends in Management of the Maxillary Posterior Region”
Keynote Speaker
The 5th Annual Lifecore Implant Symposium
Seoul, Korea

PRESENTATIONS & LECTURES (continued)

- November 5, 2005 “Surgical Instrumentation in Implant Procedures”
Lecturer, Full-Day Hands-on program for Practicing Dentists
Suchun MDS
Seoul, Korea
- October 26, 2005 “Successful Soft & Hard Tissue Regeneration: Is it the Material of the Technique?”
Invited Lecturer, Main Podium
54th Annual Meeting of American Academy of Implant Dentistry
Scottsdale, Arizona
- September 27, 2005 “Predictable Immediate Implant Placement in Multi-Rooted Molar Teeth”
Invited Lecturer, Innovations in Clinical Periodontics Session
91st Annual Meeting of American Academy of Periodontology
Denver, Colorado
- September 6, 2005 “Surgical Challenges in 2005... Techniques in Site Preparation”
Invited Lecturer
Aesthetic Dental Institute
Los Angeles, California
- May 20, 2005 “Understanding the Implant-Tissue Interface: Key to Surgical Realities and Success”
Invited Lecturer
Diablo Valley Implant Study Club
San Francisco, California
- May 6, 2005 “Digital Photography”
Invited Speaker *ICOI & Implant Seminars*
Beverly Hills, California
- April 23, 2005 “Innovations in Soft and Hard Tissue Regeneration around Dental Implants”
Invited Lecturer
The San Francisco Implant Dentistry Continuum
International Congress of Oral Implantologists & Implant Seminars
San Francisco, California
- March 11, 2005 “Trephine-Assisted Osteotome Sinus Floor Elevation for Simultaneous Implant Placement”
Invited Speaker. Clinical Innovations Session
20th Annual Meeting of Academy of Osseointegration
Orlando, Florida
- February 20, 2005 “Innovations in Soft and Hard Tissue Regeneration around Dental Implants”
Invited Lecturer
The New York Implant Dentistry Continuum
International Congress of Oral Implantologists & New York University
New York, New York
- October 17, 2004 “What’s New, Practical, and Logical in Implant Surgery”
Keynote Speaker
The 4th Annual Lifecore Implant Symposium
Seoul, Korea

PRESENTATIONS & LECTURES (continued)

- May 14, 2004 “Innovations in Soft and Hard Tissue Management around Dental Implants”
Invited Lecturer
4th Annual Biohorizons International Symposium
San Diego, California
- May 1-2, 2004 “Innovations in Soft and Hard Tissue Regeneration around Dental Implants”
Invited Lecturer
The 10th Annual Implant Dentistry Training Program
Implant Seminars, Miami Florida
- March 22, 2004 “Surgical Guides in Implant Dentistry: A Practical and Simple Clinical
Perspective”
Invited Lecturer
Symposium to Celebrate 25th Anniversary of UCLA Periodontics Program
UCLA School of Dentistry, Los Angeles California
- March 15-16, 2004 “Advanced Implant Surgery”
Course Director for 16 doctor participation course
Interdisciplinary Dental Education Academy (IDEA)
San Francisco, California
- November 6, 2003 “A Surgical Guide System to Ensure Precise Placement in Full Arch Immediate
Loading Cases”
Table Clinic Presentation
52nd Annual Meeting of American Academy of Implant Dentistry (AAID)
Hollywood, Florida
- November 5, 2003 “A Prospective Study of 17 consecutive immediate load / immediate function cases
in a private practice setting”
Table Clinic Presentation
52nd Annual Meeting of American Academy of Implant Dentistry (AAID)
Hollywood, Florida
- October 19, 2003 “Innovations in Hard & Soft Tissue Regeneration”
Invited Speaker
Busan Branch, Korean Academy of Implant Dentistry
Busan, Korea
- October 19, 2003 “Innovations in Hard & Soft Tissue Regeneration”
Keynote Speaker
3rd Annual Lifecore International Symposium
Seoul, Korea
- October 18, 2003 “Innovations in Hard & Soft Tissue Regeneration”
Invited Speaker
Jeonju Dental Association
Jeonju, Korea
- April 12-13, 2003 “Clinical Tips of Handling Hard & Soft Tissue”
Invited Speaker
Korean Academy of Implant Dentistry Annual Meeting Seoul, Korea

PRESENTATIONS & LECTURES (continued)

- February 28, 2003 “Peri-Implant Guided Bone Regeneration Utilizing Calcium Sulfate as a Barrier...
- The Preservation of Esthetics & Function”
Invited Speaker, Clinical Innovations Session
Academy of Osseointegration, 18th Annual Meeting
Boston, Massachusetts
- November 28, 2002 “Surgical Advances in Dental Implant s – A North American Perspective”
Invited Lecturer
The Oral Health Institute of People’s Republic of Korea
Pyong Yang, North Korea
- June 9, 2002 “Management of Soft Tissue in Implant Surgery”
Invited lecturer
The 9th Annual Implant Dentistry Training Program
University of Miami
San Francisco, California
- April 29, 2002 “A Little Wisdom about Third Molars: Surgical Management of the Retromolar
Region”
Invited lecturer, Continuing education course
Korean American Dental Association, Los Angeles, California
- March 19, 2003 “Peri-Implant Tissue Contour Transfer Technique: An impression method
allowing duplication of groomed soft tissue contour to the definitive implant
restoration”
Table Clinic
17th Annual Meeting, Academy of Osseointegration
Dallas, Texas
- December 22, 2001 “Guided Soft Tissue Enhancement: Soft Tissue as the Key Determinant in
Esthetics & Function”
Invited lecturer
The Second Annual OCDII Implant Dentistry Forum
Orange County Dental Implant Institute
Las Vegas, Nevada
- December 1, 2001 “10 Clinical Tips for Surgically Oriented General Dentists”
Invited lecturer, Continuing education course
California Association of Vietnamese-American Dentists
Anaheim, California
- November 24, 2001 “Advances in Implant Surgical Techniques”
Invited lecturer, Continuing Education Course
Korean Academy of Implant Dentistry (KAID)
Taegu, Korea
- November 23, 2001 “Advances in Implant Surgical Techniques”
Invited lecturer, Continuing Education Course
Wonkwang University School of Dentistry
Iksan, Korea

PRESENTATIONS & LECTURES (continued)

- November 22, 2001 “Soft Tissue Handling Techniques in Advanced Implant Surgery”
Invited lecturer, Conference for Periodontics Residents
Department of Periodontology, Seoul National University College of Dentistry
Seoul, Korea
- November 21, 2001 “Advances in Implant Surgical Techniques”
Invited lecturer, Staff Clinical Conference
The Institute for Oral Health, Samsung Medical Center
Seoul, Korea
- May 21, 2001 “Non-Surgical Management in Clinical Periodontics”
Invited lecturer, Continuing education course
Korean American Dental Association
Los Angeles, California
- April 20, 2001 “Systemic Health Status of Ambulatory Patients in an Urban
Private Periodontal Practice”
Poster & Podium presentation at The Periodontal-Systemic Connection: A State-of-
the-Science Symposium” Sponsored by *American Academy of Periodontology*
(AAP) and *National Institute of Dental and Craniofacial Research (NIDCR)*
Bethesda, Maryland
- November 17, 2000 “Enhancing Esthetic Surgical Outcomes in Immediate Anterior Implant Placement”
Table clinic presentation
The 49th *American Academy of Implant Dentistry (AAID)* Annual Meeting
Nashville, Tennessee
- November 13, 2000 “10 Clinical Tips for Surgically Oriented General Dentists”
Invited lecturer, Continuing education course
Korean American Dental Association
Los Angeles, California
- June 8, 2000 “Incorporating Implant Dentistry into General Dental Practice”
Continuing education course
Lifecore Biomedical Inc.
Los Alamitos, California
- May 27, 1999 “Incorporating Implant Dentistry into General Dental Practice”
Continuing education course
Orange County Dental Implant Institute
Los Angeles, California
- August 31, 1998 “Periodontics and the Restorative Interface”
Invited lecturer, Continuing education course
Korean American Dental Association
Los Angeles, California
- August 26, 1998 “Periodontics in the New Millenium”
Invited lecturer, *West Los Angeles Veteran Administration Medical Center,*
Los Angeles, California

PRESENTATIONS & LECTURES (continued)

- May 31, 1998 “Use of Antibiotics in Clinical Periodontics”
Invited lecturer, Continuing education course
UCLA School of Dentistry
Los Angeles, California
- May 30, 1998 “Informed Consent and Other Legal Issues in Clinical Periodontics”
Invited lecturer, Continuing education course
UCLA School of Dentistry
Los Angeles, California
- May 27, 1998 “The Effect of Chitosan and Hyaluronic Acid in Guided Bone Regeneration
Around Titanium Implants in an *in vivo* Animal Model”
Invited speaker, 8th Annual *Inter-City Periodontal Conference*,
USC School of Dentistry
Los Angeles, California
- April 21, 1998 “Aging and the Periodontal Health”
Invited lecturer, 1998 *UCLA Geriatric Lecture Series*
Los Angeles, California
- February 1, 1998 “Pemphigus: How it affects your mouth...”
Invited speaker at *The National Pemphigus Foundation*
Los Angeles Support Group,
North Hollywood Medical Center, California
- November 1997 Hands-on Periodontal Surgery
Instructor for Brazilian Study Group, *Wilshire Park Dental Institute*
Los Angeles, California
- May 29, 1997 “Aging and the Periodontal Health”
Invited Lecturer for 1997 *UCLA Geriatric Lecture Series*
Los Angeles, California
- March 22, 1997 “Correlates of Periodontal Health Status of a Minority Sample in Los
Angeles” Poster presentation at 75th General Session of
International Association for Dental Research (IADR)
Orlando, Florida
- October 9, 1996 “Correlates of Periodontal Health Status in a Minority Sample of
Los Angeles”
Invited lecturer, Research Forum Oral Session
American Academy of Periodontology (AAP) 82nd Annual Meeting,
New Orleans, Louisiana
- May 17, 1996 “Prevalence of Periodontal Disease in a Minority Sample in Los Angeles”
Invited speaker, 6th Annual *Inter-City Periodontal Conference*,
WLA VA Medical Center, Los Angeles, California
- March 14, 1996 “Periodontal Health Status of a Minority Sample in Los Angeles”
Poster presentation at 74th General Session of
International Association for Dental Research (IADR)
San Francisco, California

PRESENTATIONS & LECTURES (continued)

- October 6, 1995 “Oral Health Status and Dental Service Utilization of an Older Korean Population Sample in Los Angeles” Poster presentation at 58th Annual Session of the *American Association of Public Health Dentistry (AAPHD)* Las Vegas, Nevada
- March 10, 1994 “Comparing Dental Health and Utilization of an Older Matched Sample” Poster presentation at 72nd General Session of *International Association for Dental Research* Seattle, Washington
- February 23, 1994 “Dental Utilization and Oral Health of an Older Asian Sample” Research Presentation, *UCLA/Drew Minority Oral Health Research Center, Drew University of Science and Medicine* Compton, California
- November 17, 1993 “Dentistry Amidst Health Care Reform: What is Going to Change, and What Should Change”
Invited lecturer, continuing education course
Korean Dental Association of the USA
Los Angeles, California
- October 16, 1993 “The US Health Care System and Its Reform”
Invited lecturer, *Korean Resource Center, Southern California Branch*
Los Angeles, California
- October 24, 1993 “The US Health Care System and Its Reform”
Invited lecturer, *Korean Resource Center, Northern California Branch*
San Jose, California
- Sept 18, 1993 “Oral Health Status of a Minority Elderly Population in Los Angeles: A Survey of Ambulatory and Community-dwelling Korean Elders in Los Angeles”
Research oral presentation, *Asian-Pacific Health Forum*
Los Angeles, California

COURSES TAUGHT AT DENTAL SCHOOLS

- Fall 2005 “Introduction to Clinical Photography”
Course given to Advanced Education in General Dentistry & Periodontics residents at UCLA
Los Angeles, California
- Fall 2004 “Introduction to Clinical Photography”
Course given to first year periodontics residents at UCLA
Los Angeles, California
- Winter - Fall 2004 Postdoctoral Clinical Periodontics
Residents in Advanced Education in General Dentistry (AEGD)
UCLA School of Dentistry

COURSES TAUGHT AT DENTAL SCHOOLS (continued)

- Fall 1998-Spring 2003 Clinical Periodontics (Course 403.09 & 404.09)
Third & Fourth Year Dental Students
UCLA School of Dentistry
- Fall 1999, 2000 & 2002 “Introduction to Clinical Photography”
Course given to first year periodontics residents at UCLA and WLA VAMC
Los Angeles, California
- Fall 1998 – Spring 1999 “Diagnosis & Treatment Issues in Clinical Periodontics”
Weekly Seminar for Advanced Education in General Dentistry (AEGD) residents
UCLA School of Dentistry
- Summer 1998 Periodontal Instrumentation (Course 422S)
Second Year Dental Students
UCLA School of Dentistry
- Fall 1997 “Introduction to Clinical Photography”
Course given to first year periodontics residents at UCLA and WLA VAMC
Los Angeles, California
- June 1997 - January 1998 “Clinical Periodontics for the Practicing Dentists”
Seminar Series for foreign trained dentists at UCLA
Los Angeles, California
- Winter 1992-Spring 1995 Advanced Education in General Dentistry
Clinical Dentistry for AEGD residents
UCLA School of Dentistry
- Fall 1988 “Carcinogenesis” General Pathology Lecture Series
Second year dental students
University of Sydney Medical School
- Fall 1988 “Inflammation and Cellular Organizaton” General Pathology Lecture Series
Second year dental students
University of Sydney Medical School
- Winter 1987 “Pre-clinical Removable Partial Dentures”
Second year dental students
University of Sydney Dental School
- Fall 1987 “Carcinogenesis”
General Pathology Lecture Series
Second year dental students
University of Sydney Medical School
- Fall 1987 “Inflammation and Cellular Organizaton”
General Pathology Lecture Series
Second year dental students
University of Sydney Medical School
